

# MONTHLY NEWSLETTER NOVEMBER 2025

Transforming lives of communities through Education,  
Environment and Empowerment initiatives

Launching Modules for  
Hindi-Medium Learners

## Overview

The month of **November** was dynamic and purpose-driven, marked by thoughtful planning, execution, and meaningful progress across multiple initiatives. Month's energy was ignited by the joyous, **large-scale celebration of Balmela**, held across Karjan, Chhatrapati Sambhajinagar, and Delhi on honor of **Children's Day**. The enthusiastic participation of students, teachers, and employees of Cosmo First Ltd. made the event vibrant and memorable. Month began with the **compilation of Mid-Term Assessment results**, followed by a detailed analysis to map student learning outcomes and identify areas of improvement. This reflection enabled focused intervention and strengthened academic strategies ahead.

A major highlight was the **capacity building of teachers through the Study Circle sessions**, enhancing their skills and methodologies, ultimately enriching classroom teaching and learning experiences.

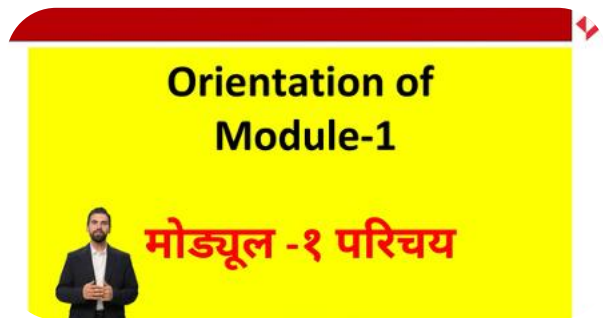

November also marked a milestone in expanding outreach, with a **strategic engagement plan for the Cosmo English Tutor program** across government schools, and NGOs. Strengthening accessibility, the **Hindi version of Cosmo English Tutor was launched on YouTube**, opening the doors of learning to Hindi-speaking communities across India.

The heartfelt celebration of **'Vande Mataram'** reflected unity, patriotism, and the pride of being Indian.

Skill enhancement remained a priority, with **Soft Skill Training programs for EV Technicians** at Chhatrapati Sambhajinagar, supporting employability and professional confidence. Additionally, the **second batch of 'Nari Ki Savari' was launched**, demonstrating a continued commitment to empowering rural women and enabling independence.

In parallel, **Sunday for Sustainability** continued as a visible symbol of collective responsibility and sustainability, reinforcing values of contribution and community development.

The month also provided an opportunity to explore new avenues of collaboration, as we engaged with **Kaarigar Clinic** and the **Anil Naik Technical Training Centre** for potential **partnerships** that align with our shared goals.

# Education

## Education for All: A Promise, A Purpose

Cosmo Foundation proudly celebrated **National Education Day** on 11<sup>th</sup> November, **honoring** the legacy of **Maulana Abul Kalam Azad**—a visionary leader of India's education movement. **Since 2008**, Cosmo Foundation have been **committed to strengthening mainstream education** in rural India through meaningful and skill-based learning initiatives. With continued efforts in Gujarat and Maharashtra, we strive to ensure equal learning opportunities for every child. We truly believe that education has the power to transform lives - and together, we can make a difference.

### NATIONAL EDUCATION DAY

“ On National Education Day, We stand resolute in our mission to transform lives through equitable education, believing every young mind holds infinite potential. Our Education initiatives are actively bridging the opportunity gap, already empowering over 70,000+ rural children across two states with essential digital, linguistic, and foundational skills. This commitment extends beyond mere academics, focusing on holistic growth—instilling strong values, critical life skills, and unwavering confidence. We are dedicated to cultivating a new generation of future-ready citizens equipped not only with knowledge but also the character to drive positive change. Together, we continue to build a capable and future-ready generation for the nation. ”

MS. YAMINI JAIPURIA  
Managing Trustee, Cosmo Foundation  
Whole-time Director (Corporate Strategy, ESG and CSR), Cosmo First

## Honoured by the Hearts We Serve

Cosmo Foundation is humbled and proud to be **felicitated** by **Shri Z. J. Patel Nutan High School, Kurali**, and **Shri Kurali Group Kelavani Mandal** for our continued **commitment to rural education**. This honour is not just an award—it is a testament to the trust, partnership, and meaningful impact created across Kurali and neighbouring villages. Through digital learning, English literacy, foundational education, infrastructure support, and life-skill development, we continue to transform learning experiences for thousands of students. We extend heartfelt gratitude to the principal, teachers, and community for recognizing our shared vision of education, empowerment, and long-term change.

## A New Chapter in Accessible Learning - Cosmo English Tutor

This month, Cosmo Foundation announces the **launch of the Hindi Edition of Cosmo English Tutor**, expanding our journey from Gujarati and Marathi learners to Hindi-speaking learners across India. After transforming learning outcomes for thousands of children in Gujarat and Maharashtra, we are now making English learning accessible at a national level. To build consistent engagement and maximize learning, we have started uploading this videos **every Wednesday on our Cosmo English YouTube channel**. With simple, AI-supported, learner-friendly videos, this Hindi version opens the door to learning not only across India, but for Hindi medium students and teachers.

## Education

### Balmela: Where Learning Meets Fun

Cosmo Foundation **celebrated Children's Day** by organizing the "**Balmela - Children's Fair**" in collaboration with rural government schools across **Gujarat** and **Maharashtra**. This initiative aimed to promote **joyful learning and holistic development**, bringing together over **1,000 students**. The Balmela featured engaging, hands-on activities, including science experiments, storytelling, clay modelling, and a 'Swachhta' rally. Educational experts shared inspiring messages, drawing on the legacies of Pandit Jawaharlal Nehru and Gijubhai Badheka. The event reinforced the concept of learning beyond the classroom, boosting children's confidence. Every child left with a happy smile, receiving drawing books and crayons to encourage continued creativity. Simultaneously, in **Delhi**, **employees of Cosmo First volunteered at Balvidya**—a school for underprivileged children. They organized **creative activities** and generously donated **library books** and **snacks**, reflecting our commitment to social impact. This month, we reaffirmed the joy and importance of every child's potential.

## Balmela: Where Learning Meets Fun

Balmela - Karjan

“ The opportunity to visit the Balmela organized by Cosmo Foundation at Khandha Primary School was invaluable. The activities, which focused on fostering creativity, early foundational literacy and numeracy skill, English learning and computer literacy, were highly impressive, and the students participated with immense enthusiasm. The inclusion of traditional local games added significant value to the fair. The Balmela addresses hidden talent and skills of the rural children and promotes curiosity, imagination and creativity. The guidance provided by the Balmitras of Cosmo Foundation is very inspiring and encouraging, resulting in the significant development of creative skills among the students. ”

**Dr. Vishwajit K. Yadav**  
Professor, DIET, Vadodara

# Education

## Empowering Educators, Strengthening Classrooms

Cosmo Foundation conducted an intensive **six-hour Study Circles**, empowering over **30 teachers** with practical strategies to **strengthen classroom delivery at Aurangabad**. The training enhanced their understanding of tenses, communication skills, and effective daily language use. Teachers also learned applied classroom pedagogy to make learning more engaging and impactful. By equipping educators, we continue to build stronger classrooms and nurture confident, future-ready learners.

## Elevating English Skills at ITI Karjan

Cosmo Foundation started a **two-month English Language Skill Enhancement Program** for the students of **Govt. ITI College, Karjan**. **110 learners** from different Fitter, Turner, Electrician, etc., join and gain confidence in **Basic English** and **workplace communication**. Through interactive sessions on action words, sentence formation, and trade-based vocabulary, students strengthened their speaking, reading, and writing skills. Practical activities, role plays, and video-based learning made the sessions engaging and industry-relevant.

## Unlocking Potential Through CGVK Program

“ Meemara, a 4th-grade student from Z. P. School, Village: Asegaon, began her learning journey at Level Zero, was unable to recognize basic letters and numbers. She was Fearful of school due to frequent scolding, she avoided the classroom entirely. When Balmitra Vidya Muley learned about her struggles, she encouraged Meemara’s mother to enroll her in Cosmo classes, where learning began with patience, care, and zero punishment.

Using picture-based reading and simple tools like stones for math, Vidya gradually rebuilt her confidence. With consistent support, Meemara started attending school regularly, learned to read, mastered multiplication tables, recognized numbers up to 100, and solved basic operations. Today, she proudly performs at Level Two confident, curious, and eager to learn. Her mother expresses heartfelt gratitude to the Cosmo Foundation for transforming her daughter’s learning journey. ”

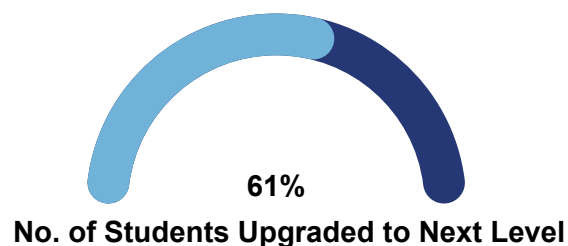

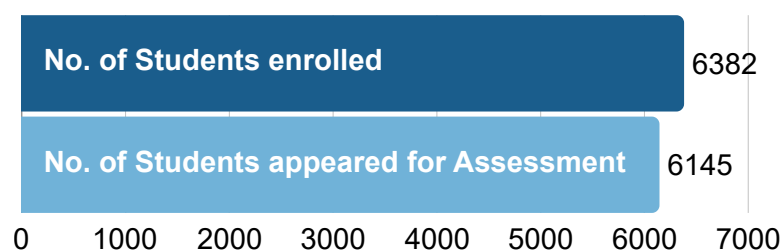

**Meemara Shaikh**  
Student - Z. P. School Asegaon

## Snapshot: Mid-Term Academic Assessment

Cosmo Foundation conducted **Mid-Term Assessments** across **Native Language, Arithmetic, Computer Literacy, and Communicative English** through written, practical, and oral evaluations to ensure inclusive and barrier-free learning. Assessing students helped every child demonstrate their true potential with confidence. Program-wise up gradation was observed as mentioned below, across Digital Skills Building, Basic English, and Foundational Literacy & Numeracy, strengthening students' overall learning progress.

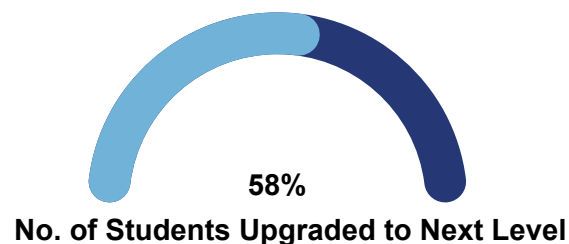

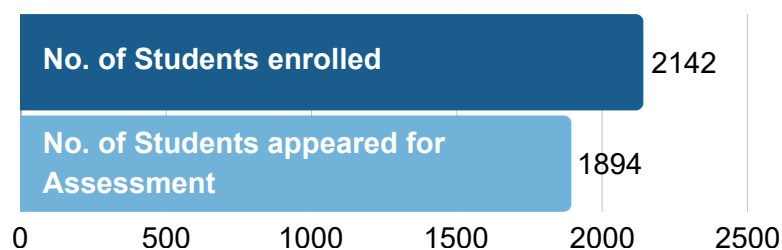

### Computer Operation and Digital Skill Building

### Foundation Literacy & Numeracy

### English Fluency Development

“ During my observation of the Mid-Term Assessment, many students confidently attempted the full paper, demonstrating a strong ability to formulate original sentences in core language areas. The CGVK students showed greater proficiency in language and mathematics, which is an area for future focus. Conversely, CLP students excelled across the board, achieving strong results in both practical and written components. Overall, the assessment confirms robust and differentiated learning progression within the programs. ”

**Siddharth Bansode**  
English Faculty, Cosmo Foundation

# Environment

## Sunday for Sustainability

Prayas Youth Foundation and Cosmo Foundation partnered for a collaborative **Sunday for Sustainability** event at the **Biodiversity Hub** in Chhatrapati Sambhajnagar. This initiative successfully brought together **Cosmo Team members, USF Shalinis, and youth volunteers from Prayas Foundation** to focus on vital ecological tasks. The day's activities centred on **protecting plant roots and undertaking crucial replantation efforts**, ensuring the long-term survival of native species in the region. This combined effort was more than just planting; it was a meaningful step toward **preserving biodiversity and fostering essential environmental responsibility** among all participants. Through such collaborative action, a greener, healthier, and more sustainable future continues to be built.

## Empowering Future Stewards: Eco Ranger Session

Cosmo Foundation's **"Eco Ranger"** event, held three months ago and **led by Jivraj Khurana**, inspired students to become the next generation of environmental protectors. This vital session emphasized the critical importance of **Earth preservation and adopting eco-friendly daily habits**. We conducted **follow-up sessions** in this month and are heartened by the results: students are now actively avoiding plastic bags for tiffins, demonstrating strong knowledge of renewable and non-renewable resources, and practicing water conservation at school. By internalizing these practices, the young participants have truly become dedicated Eco Rangers, committed to making our planet green, clean, and safe for future generations.

## Paper, Pride, and Progress in Kagzipura

**Cosmo Foundation**, has supported the transformation at Kagzipura into a **model heritage village**. This initiative focuses on **preserving traditional crafts** while strengthening local livelihoods. Specifically, the village's **hand-made paper mill has been revitalized**, establishing a sustainable source of income for local women and ensuring the continuation of this ancient skill. The products emerging from this project—including beautiful paper flowers and a variety of eco-friendly items—are now potent symbols of Kagzipura's renewed cultural pride and economic empowerment. This collaboration highlights our commitment that integrates cultural preservation with sustainable community development.

# Empowerment

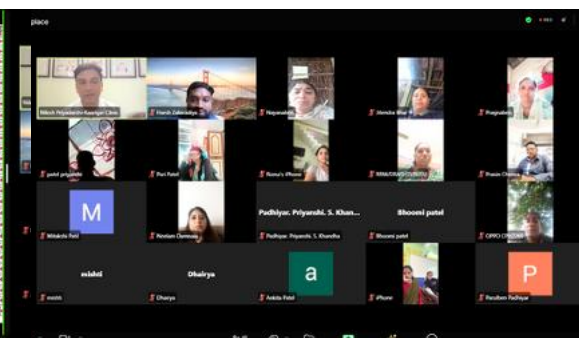

## Nari Ki Savari: Driving Confidence, Driving Change

Cosmo Foundation launched the **second batch of 'Nari Ki Savari'** in collaboration with **Shri Maharani Chimnabai Stree Udyogalaya**, Vadodara, continuing the mission to empower women through enhanced mobility and self-reliance. This comprehensive program provides both two- and four-wheeler driving training, directly supporting participants in building independence, securing livelihood opportunities, and strengthening their ability to access employment, education, and broader community participation with dignity and self-assurance. We congratulate all participants and celebrate this step toward **confidence, opportunity, and lasting change**.

## Kaarigar Clinic Orientation: Igniting Entrepreneurship for Women

Cosmo Foundation, in partnership with **Kaarigar Clinic**, conducted an orientation for the **90-day Business Wellness Program**, an Entrepreneurship Training initiative designed to **strengthen women-led businesses** across Karjan and surrounding areas. Over **50 aspiring women participated** in the session to understand the program's structure and benefits, which includes comprehensive blended learning focused on business growth, branding, product design, digital marketing, and enterprise setup through offline workshops and weekly online sessions. Based on their interest following the orientation, participants will begin the intensive 90-day program, which upon completion will provide certification, recognition, and access to financial support, ultimately empowering them to build confident business identities and achieve sustainable livelihoods.

# Empowerment

## Shaping a Future-Ready Workforce

Cosmo Foundation, in partnership with **ISIE-India**, conducted specialized **Soft Skills Training** sessions for the Electric Vehicle (EV) Technician batch, focused on cultivating essential workplace readiness and confidence among participants. The training emphasized crucial areas such as **communication skills, professional etiquette, and problem-solving abilities**, with sessions expertly facilitated by professionals from **Cosmo First Ltd.** and **Cosmo Foundation** to ensure practical, industry-aligned learning. With over **50 students directly benefitting**, this initiative represents a focused effort to support the development of a smarter, highly skilled, and future-ready workforce for the emerging EV sector.

“ The sessions on soft skills provided by Cosmo Foundation are profoundly meaningful and inspirational. Sessions offer a powerful realization, that cultivating small, positive habits can lead to monumental change in one's life. Specifically, the modules on Etiquette & Manners and Problem-Solving Skills were exceptionally impactful, delivering measurable value to both my personal and professional development. I am sincerely grateful to Cosmo Foundation for the enhanced clarity, confidence, and comprehensive learning these programs have instilled. ”

**Rupali Sangle**  
EV Technician

## Rising with Cosmo: My Story of Transformation

“ Humera Pathan, hailing from village: Choranda, Karjan, began her association with Cosmo Foundation as a motivated learner as a student of Computer Literacy Program in her village school. Her initial step was joining a vacation batch of Cosmo Foundation for Basic English. This foundational learning quickly paved the way for a professional role. In 2022, She joined Cosmo Foundation as a teacher, dedicating the following years to imparting Computer Literacy and Basic English across multiple schools. Foundation's consistent mentorship fuelled her rapid development. She mastered advanced computer knowledge and demonstrated such proficiency that she was entrusted with training new teachers. Her dedication culminated in her promotion to CLP Coordinator. This leadership position empowers her to manage programs, support colleagues, and make a significant difference in the community.

Her journey has fostered immense growth in her confidence and professional identity, earning her deep respect from parents, students, and the wider Karjan community. Humera Pathan's success story underscores the Foundation's mission: with sustained support and opportunity, a learner can be transformed into an inspiring leader. ”

**Humera Pathan**  
Cluster Coordinator, Cosmo Foundation

# Employee Engagement

## United for Children, United for Change

Cosmo Foundation hosted **Balmela celebration on a large scale** across multiple locations, including Karjan, Chhatrapati Sambhajnagar, and Delhi, providing children with a memorable day of joy and high-impact experiential learning. The event was a vibrant amalgamation of activities meticulously designed to encourage creativity, curiosity, and strong community engagement. Demonstrating unwavering dedication to our mission, more than **20 employees of Cosmo First Ltd. actively participated** from all locations, making the celebration truly inclusive and spirited. This collective involvement significantly strengthened the Foundation's commitment to nurturing childhood development, fostering comprehensive learning, and building robust connections within the communities we serve.

## Employee Leadership for Building Professional Skills

Cosmo Foundation conducted a meaningful **Soft Skills Training Session** tailored for **thirty-five Electric Vehicle (EV) Technicians**, underscoring our commitment to their holistic professional development. Led by, **Rajesh Chavan, HR Business Partner**, the session provided essential insights into the critical **role of etiquette and manners** in achieving professional excellence.

He effectively demonstrated how cultivating these core habits profoundly influences positive workplace relationships, accelerates career growth, and ensures long-term professional success in any field. The training equipped participants with the necessary confidence, clarity, and adaptive attitude required to thrive and excel within the rapidly evolving landscape of the EV industry.

## Networking and Partnership

### Kaarigar Clinic

Cosmo Foundation, in partnership with **Kaarigar Clinic**, hosted an **orientation session** in Karjan for the **Business Wellness Program**, generating strong interest among rural women entrepreneurs. This initiative aims to equip women with practical entrepreneurship skills for confident and sustainable business growth. Kaarigar Clinic, **India's first business clinic for artisans**, boasts a track record of transforming over **225 Artisan Entrepreneurs** and impacting the **livelihoods of over 65,000 artisans** across **12 States** through its 90-day program. The enthusiastic response at the Karjan orientation marks a promising start to replicating this significant empowerment model in the region.

### Anil Naik Technical Training Centre - L & T Public Charitable Trust

Cosmo Foundation expanding its educational initiatives by exploring a potential partnership with the **Anil Naik Technical Training Centre (ANTTC)**. This exploration involved a focused visit to the Centre and an interactive discussion with **Mr. Winny Rawal, CEO, ANTTC**. ANTTC is a dedicated skilling and education initiative of the **philanthropic efforts of Mr. Anil Naik, former executive chairman of Larsen & Toubro**, and the **L&T Public Charitable Trust**. The Centre provides a fully **residential skilling program** for **high school dropouts**, specifically targeting students who lack opportunities due to limited education. Annually, ANTTC trains and places over 1500 such students in the industry **with NSDC Certification**. Beyond skilling, ANTTC also runs **educational initiatives** like **Functional Literacy & Numeracy (FLN)** and **English development** in the Kharel area. During the meeting, both organizations explored **multiple collaboration opportunities**: ANTTC can share its **digital literacy** content modules and serve as a **knowledge partner**; Cosmo Foundation can provide **Trainer-of-Trainer** services and content for ANTTC's **English faculty**; importantly, Foundation explored the possibility of supporting the **mobilization of 10th-grade dropout students from Karjan** and surrounding areas to join ANTTC for career growth, which would include exploring sensitization efforts in the Karjan area to raise awareness about this vital initiative.

### Department of Extension & Communication, MSU Baroda

Cosmo Foundation has partnered with the **Department of Extension & Communication, Maharaja Sayajirao University (MSU) of Baroda**, to provide **social internship opportunities** to **five students**. This collaboration offers the interns valuable exposure to the Foundation's diverse social interventions, allowing them to gain hands-on experience by leading tasks and actively participating in program implementation, bridging the gap between academic learning and practical social work.

## Events

### Celebrating 150 Years of Vande Mataram!

Cosmo Foundation proudly joined the nationwide celebration commemorating **150 Years of Vande Mataram**, honoring India's profound cultural legacy and heritage. To mark this significant milestone, students across all our supported schools passionately **recited and sang the National Song**, reflecting a deep sense of unity, pride, and patriotism. Through initiatives such as this, the Foundation remains committed to **nurturing cultural awareness** and **instilling a strong national spirit in young hearts**, ensuring the next generation values and cherishes the rich history of our nation.

### Voices of Impact: Teachers Share the Cosmo Journey

Cosmo Foundation launched a **User-Generated Content (UGC) campaign**, featuring **29 community-based teachers** who shared stories of “**How the Foundation has transformed students' lives**” on the eve of **Children's day**. Posted across Facebook, Instagram, and LinkedIn, these heartfelt testimonials generated inspiring engagement, amplifying our impact through real voices. The campaign significantly **boosted our digital presence**, drawing new followers and achieving remarkable visibility. Notably, the campaign garnered **over 13,000 views on Instagram in a single day**, effectively spreading awareness of our work to thousands of new users.

“

Earlier, my students used to be too shy to ask a simple question in class. Now, thanks to Cosmo Foundation's daily English classes, they speak up easily. They are learning basic English etiquette like "May I go to the washroom?" and "Thank you." This mix of language and manners is a big step in their confident start!

## COSMO FOUNDATION'S 'BALMELA' SPARKS CREATIVITY IN VILLAGE KHANDHA, KARJAN

Cosmo Foundation and Government Primary School, Village - Khandha, Karjan co-organized "Balmela," aimed at fostering joyful learning and holistic development of children. The event featured valuable external contributions: experts from Arunakshor Foundation presented an engaging songs, and Sumeru Hospital provided free health check-ups. Esteemed guests, including Dr. Vishwajeet Yadav from DIET-Vadodara, and Alpesh Gohil from BRC- Karjan, graced the occasion. They shared inspiring messages, encouraging children and parents by reflecting on the legacies of Pandit Jawaharlal Nehru and Gijubhai Badheka. The spirit of the event was further elevated by the active participation of employees from Cosmo First Limited. Mamta Baxi, Head of CSR, Cosmo Foundation shared, "Our 'Balmela' is rooted in the belief that true learning blossoms through joy, creativity, and interactive community engagement."

## Cosmo Foundation Reaffirms Commitment to Foundational Learning on Children's Day, Celebrating India's Future Investors - Its Children

Future, underscores the critical role of early learning in shaping tomorrow's citizens. On the occasion of Children's Day, Cosmo Foundation - the philanthropic arm of Cosmo First Limited, reiterated its long-standing commitment to empowering rural children through strong foundational learning. With over fifteen years of sustained efforts in strengthening literacy and numeracy skills, the Foundation.

## Cosmo Foundation Reaffirms Commitment to Foundational Learning on Children's Day, Celebrating India's Future Investors - Its Children

Since its inception in 2009, the Foundation has been at the forefront of Foundational Literacy and Numeracy (FLN) - a priority now enshrined in the National Education Policy (NEP 2020). The Foundational Literacy & Numeracy Centres, fondly known as Cosmo Gan Vihar Kendras, focus on activity-based learning that combines play, storytelling, art, and group exercises to make education joyful, interactive, and effective. The approach aligns closely with national educational goals while fostering creativity, curiosity, and confidence among young learners.
