Overview

At Cosmo Foundation, August month started with **Celebration of Teachers' Day** and **International Literacy Day**. We at Cosmo Foundation marked **17 years of journey** of empowering rural children through education and dedicated services of community-based teachers. The **"One Day One Story"** initiative was rolled out across centres, encouraging young learners to enjoy storytelling.

Senior team members visited Chh. Sambhajinagar to **review programs**, meet teams, and **explore new partnerships**, resulting in an **MoU with ISIE-India** to train **50 rural girls as EV Technicians**. Academic support continued with the **distribution of study materials** and **mid-term assessments** to track student progress.

Other initiatives included **classroom cleanliness drives** and the **donation of 1,200 saplings** to Prayas Youth Foundation. Our women's empowerment initiative - **"Beautiful Creation"** actively **joined exhibitions** organized by **FICCI FLO Vadodara** and supported livelihood of these women. August month highlighted Cosmo Foundation's ongoing efforts to educate, empower, and enrich rural communities.

Education

Teachers' Day: Honoring Impact Makers in Education

Cosmo Foundation honored **75+ community-based teachers** from Gujarat and Maharashtra on Teachers' Day, celebrating their inspiring journey from **local facilitators to professional educators**. **Gift vouchers** were presented by **Ms. Yaminikumar Jaipuria, Managing Trustee**, as a token of appreciation. It was heartwarming to listen case stories of their learning, skilling, caring for the communities, building their own life and **creating identity as a change maker**.

Through training in **AI, animation, Canva, and ChatGPT**, teachers have transformed classrooms into tech-friendly, child-centric spaces, enabling rural students to become confident in **English communication and digital literacy**.

The ripple effect is visible: families now trust education, women are stepping forward, and teachers are aspiring for higher studies and careers in **AI, data science, and CSR**.

This celebration reflected the **power of skill-based education** in shaping not just teachers and students, but also the future of rural communities and nation at large.

International Literacy Day: One Day – One Story Campaign

On **International Literacy Day**, Cosmo Foundation joined Pratham Book Champions' nationwide **"One Day – One Story"** campaign, inspiring a love for reading among rural children. Storytelling sessions of "I Am Not a Cat" and "Surki and Tirki" were conducted by Foundation team members and Cosmo First Ltd. employees and The Maharaja Sayajirao University of Baroda's Interns, teaching values of friendship, empathy. Adding to the excitement, **Ms. Ipshita Nayyar** and **Ms. Medha Saini** connected online from Delhi, bringing stories vividly to life. The initiative reached **over 2,000 students** (Grades 4–8) across Gujarat and Maharashtra, making reading accessible, interactive, and joyful. This campaign reinforced Cosmo Foundation's belief that every child deserves the magic of stories in their own language and surroundings, nurturing imagination and learning in rural communities.

Education

Cosmo Talent Hunt: Celebrating the Best Performers

Cosmo Foundation conducted the **Competitive Test 2024-25** to promote **computer operation & digital skills, and competitive readiness** among rural students from Karjan Block, Gujarat, and Gangapur Block, Maharashtra. The three-staged assessment tested students on **theory, practical skills in Microsoft Office, Canva, ChatGPT**, and overall digital literacy, followed by **expert-led personal interviews. 748 students shortlisted from 31 schools**, showcasing remarkable talent and dedication. The **top five performers** from Vadodara and Chh. Sambhajinagar will be awarded **laptops and certificates**, celebrating their achievements and inspiring the next generation toward **digital excellence and future-ready skills**.

Empowered by Learning: My Path to Computer Excellence

My journey with Cosmo Foundation began in Grade 6 with Foundational Literacy, which strengthened my Mathematics and boosted my confidence. Later, I joined English and Computer classes, where my interest in computers grew. In 2022-23, I appeared for the Computer Award Examination but could not Succeed. With determination and the Foundation's support, I tried again in 2024-25, cleared the first and second rounds, and today I am ready for the interview round.

I thank Cosmo Foundation for inspiring my passion for computer operation and building my confidence. After Grade 10, I aspire to pursue Computer Science and turn my passion into a career. My journey shows that with perseverance, guidance, and self-belief, every challenge becomes an opportunity to grow.

Education

Creativity Unleashed: Leaf Collage

Cosmo Foundation organized a session on **leaf collage**, engaging **1,310 children from 28 centers**. The initiative fostered **imagination, creativity, and teamwork**, while promoting **environmental awareness** and linking learning with the school curriculum. It inspired children to **develop fine motor skills, artistic expression, and a love for nature**.

Education

Digi Pathshala: Blending Virtual & Traditional Learning

Cosmo Foundation's **Digi Pathshala** combines virtual learning with traditional methods, fostering active engagement among students and parents. **Over 3,236 students** participated via this WhatsApp learning platform, accessing **625 creative e-contents** and sharing more than **20,585 responses**. The program covers **national and international events, inspiring stories like UPSC achievements**, Gujarati and Marathi literature, proverbs, and awareness of recent natural disasters, including floods and landslides in North India. This initiative not only **strengthens digital learning** but also nurtures **critical thinking, cultural awareness**, and curiosity, empowering rural youth to explore, learn, and grow in a holistic and meaningful way.

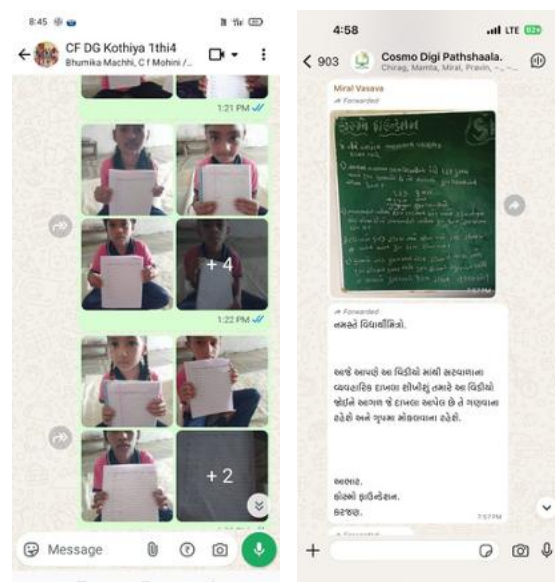

“

I regularly read and answer the questions shared daily on general knowledge, current affairs, information on digital world, mythology, art, heritage etc. It also covers current events, as well as social, economic, and political issues, helping me stay updated as a teacher and enabling me to share useful knowledge with my students for their future competitive exams. Overall, these daily questions enrich my knowledge, thoughts, conduct, and approach to life.

Enriches Rural Education with 1,700+ Learning Digests

Cosmo Foundation donated **1,700+ educational digests** across **16 rural government schools** in Gangapur block, Maharashtra, and Karjan block, Gujarat. This initiative is set to **benefit over 1,857 students**, providing them with enhanced **access to quality learning resources**.

By promoting reading and fostering a love for learning, the Foundation continues to empower rural students through meaningful educational interventions, strengthening their academic foundation and future opportunities. Our **heartful thanks to Mr. Pankaj Poddar, Group CEO, Cosmo First Ltd.** for **supporting this project** for 2nd year.

Education

Orientation of “Cosmo English Tutor”

Cosmo Foundation conducted an orientation session for its **“Cosmo English Tutor”** YouTube channel, **aimed at helping students and teachers**, in rural areas improve their English language skills. The channel, featuring modules by English expert Mr. Pravin Kumar Chauhan, covers **90 topics** in a simple Gujarati-English bilingual format. The session was attended by **349 students from 3 schools namely Shri Simli Sarvajanik Vidyalaya, Omkar Vidyamandir, and Shri Dilip & Paresh Ashokchand Shah Smruti Vidyalaya**. Students were guided on leveraging these modules to enhance their English proficiency, boost board exam preparation, and develop career-ready communication skills. **Local principals and English teachers highlighted the channel’s potential** in bridging the **gap between Gujarati and English** learning for rural students.

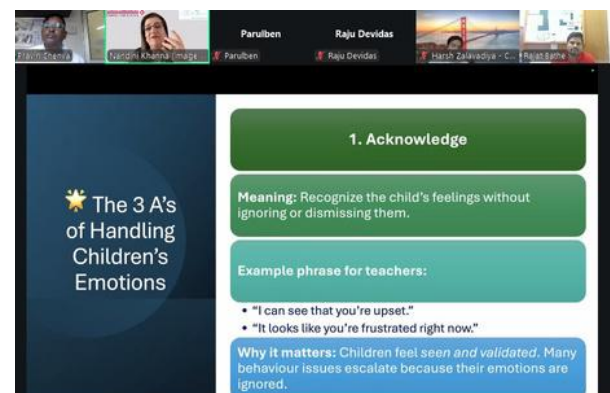

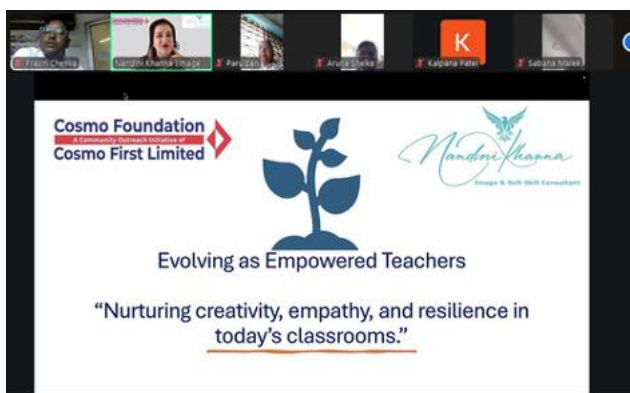

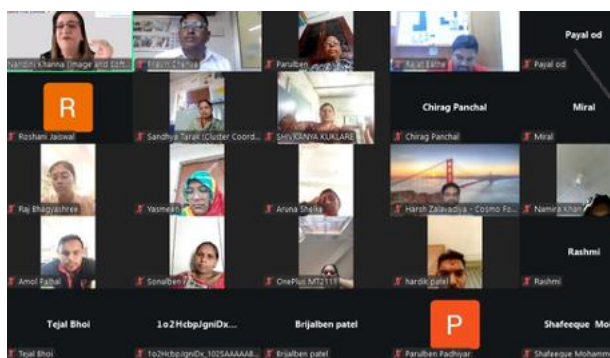

Strengthening Programs and Partnerships

From 10th to 13th September 2025, Cosmo Foundation’s **CSR Heads, Mamta Baxi and Associate Program Coordinator, Praveen Chauhan**, visited **CF Chhatrapati Sambhajinagar** to review CSR programs and explore new partnership opportunities. During the visit, they discussed **teacher’s training in communication skills** with the **Zilla Parishad** and **Training of Trainers on AI and cybersecurity** for Cosmo teachers in **collaboration** with the **Director of Nath School of Business and Technology**. They also explored **women empowerment programs, community projects** of Savitribai Phule Ekatm Samaj, and Kagzipura’s handmade paper mill, addressing local challenges and opportunities. All programs were evaluated, team roles clarified, and a **roadmap for enhanced community impact** was outlined. The visit emphasized **leadership, transparency, problem-solving, and skill development**, reinforcing Cosmo Foundation’s mission to **drive educational excellence and sustainable social growth** in rural communities.

Capacity Building of Teachers

Evolving as Empowered Teachers: Life Skills Session

Cosmo Foundation organized a session with renowned **Life Skills Trainer Ms. Nandini Khanna** on **‘Evolving as Empowered Teachers’**, attended by **50 teachers** from various locations. The session highlighted the importance of understanding students’ emotional needs and fostering motivation. Teachers learned to **connect deeply with children**, addressing emotions with empathy and effectiveness. Creative exercises introduced included the Mood-o-Meter, techniques to gauge emotional states, the Appreciation Wall, and the “3 A’s” for handling children’s emotions. The session empowered teachers to **enhance classroom engagement**, promote positive learning environments, and inspire meaningful growth among their students.

“ The session on ‘Evolving as Empowered Teachers’ by Nandini Khanna Ma’am was truly inspiring and insightful. It highlighted the importance of self-confidence, positive thinking, and discipline in shaping our lives.

I learned how small changes in daily habits and mindset can lead to continuous growth and strength. This session has greatly motivated me to set clear goals and work on becoming a more capable individual.

Biodiversity Hub: Expanding Green Horizons

We are happy to share the glimpses of thriving lush green **“Cosmo Biodiversity Hub”** at Chh. Sambhajinagar. We had **planted 40,000 saplings two year back** and we are happy to share that this year we are **going to plant 35,000 more saplings** on the **land of Indian Army** with the **technical support** of **Prayas Youth Foundation**. Once complete, the hub will nurture **75,000 trees**, reinforcing Cosmo Foundation’s dedication to **ecological sustainability** and fostering greener, healthier communities for the future.

Empowerment

Beautiful Creation at Pre Navratri Events

The **Pre-Navratri Exhibition of Beautiful Creations** highlighted the artistic talent of rural women, featuring **Diyas, candles, ornaments, rakhis, and décor items**. Organized with generous support from **FICCIFLO Vadodara**, the initiative celebrated skill, entrepreneurship, and community empowerment, inspiring creativity and self-reliance.

Empowering Girls in Green Mobility

Cosmo Foundation, reaffirming its commitment to **sustainable skilling**, signed an **MoU with ISIE-India** for the third time to train **50 girls as Auto Electric Vehicle Technicians**. The first two batches (30 and 50 girls) achieved **100% placements**, setting a strong benchmark. The **new batch** was **inaugurated** on 26th September 2025 at Devgiri Government ITI College, Chh. Sambhajinagar, in the **presence of Shri Mangal Prabhat Lodha, Minister of Skill, Employment, Entrepreneurship & Innovation, Government of Maharashtra**. This milestone underscores Cosmo Foundation's vision of **empowering girls with future-ready careers** in the rapidly growing **green mobility sector**.

Employee Engagement

Growing Green Together: 1,200 Saplings Donated

Cosmo First employees, alongside Cosmo Foundation, nurtured saplings at the **Cosmo Films Ltd., waluj campus** and **donated 1,200 saplings to Prayas Youth Foundation**. This green initiative highlights the impact of collective effort in promoting sustainability. Through such actions, Cosmo First continues to reaffirm its commitment to environmental stewardship and a greener, healthier tomorrow.

Cosmo First Spreads the Joy of Storytelling

On International Literacy Day, **Cosmo First employees, Ms. Ipshita Nayyar and Ms. Medha Saini**, joined Cosmo Foundation for the **“One Day – One Story” campaign**. Through engaging narrations of ‘I Am Not a Cat’ and ‘Surki and Tirki’, they **brought stories alive for rural children**, sparking joy, curiosity, and imagination. This initiative showcases the impact of employee engagement in fostering a love for reading.

“ It was wonderful interacting with the kids. Thank you very much for this opportunity. I appreciate the work being done by the Foundation – here's wishing success in all future endeavours as well. ”

Partnership and Networking

FICCI FLO Vadodara to Empower Rural Women

Cosmo Foundation continues its collaboration with **FICCI FLO Vadodara** to enhance the livelihoods of rural women through the **Beautiful Creation initiative**. This partnership provides **capacity building** and **market linkage support**, enabling **over 100 women** to access training and exhibition platforms.

As part of this engagement, FICCI FLO Vadodara offered multiple opportunities for **Pre-Navratri exhibitions**, giving women entrepreneurs greater **market exposure** and boosting their sales. Their support has been instrumental in fostering skill development, entrepreneurship, and sustainable livelihoods.

ISIEINDIA for Women's EV & Automobile Training

ISIEINDIA, a renowned institute in electric mobility, automobile engineering, and multi-trade skilling with strong corporate tie-ups. During the month, two organizations **signed a Memorandum of Understanding (MoU)** to expand their collaboration. Under this agreement, Cosmo Foundation will **support 50 female students** to receive **training in EV (Electric Vehicle) and automobile skills**.

Partnership and Networking

Collaboration with NSBT for Educational Advancement

The discussion with **Director of NSBT** focused on **expanding** the program's **scope** to **include emerging areas such as cyber safety, generative AI, and strengthening digital skill-building initiatives**. NSBT, recognized for its innovative approach to education in Tier-II cities, has been instrumental in integrating technology and entrepreneurship into its curriculum.

The **collaboration aims** to equip students with the necessary skills to navigate the **evolving digital landscape**, thereby enhancing their employability and fostering a culture of innovation. This partnership underscores Cosmo Foundation's commitment to **empowering youth through quality education and skill development**.

Partnership and Networking

Explores Partnership with Pratham Skill Development Centre

Cosmo Foundation's team visited **Pratham Foundation's residential skill development centre** at Chh. Sambhajnagar to explore collaboration opportunities. The centre offers training in solar, hospitality, construction, and other sectors, supported by corporate partnerships for funding and placements. With a strong focus on employability and holistic development, the visit aimed at identifying avenues for **course expansion, student sponsorship, and alignment** with Cosmo Foundation's CSR priorities in education and empowerment.

Explores Collaboration with Savitribai Phule Mahila Ekatma Samaj Mandal

Savitribai Phule Mahila Ekatma Samaj Mandal (SPMESM) known for its impactful interventions in **community health, education, skill development, and women's empowerment**, positively impacting over a million lives annually across **950 villages and 80 slums**. The organization offers a range of skill-building programs, including **embroidery, beauty care, jute bag making** and many more. SPMESM is doing interventions in an area of disaster management, education, community health, natural resource management, and sustainable development. These initiatives have a significant reach, benefiting the **poorest communities across Maharashtra**. The visit aimed to **explore potential partnerships**, focusing on expanding these programs to further **empower rural women** and enhance community development efforts.

Events

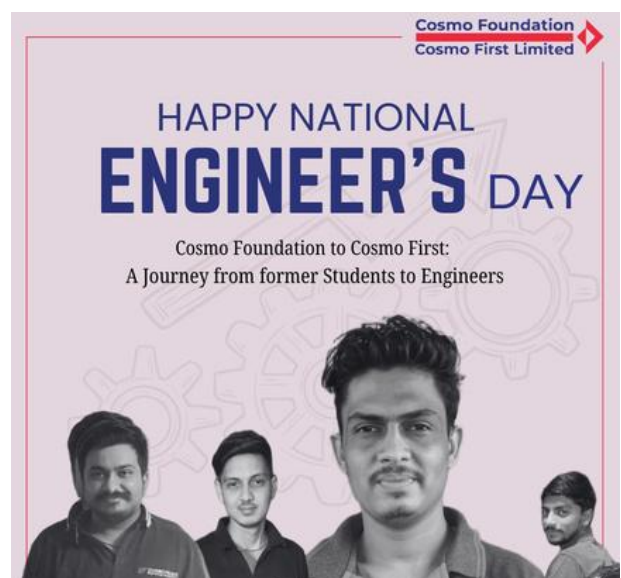

National Hindi Day

On National Hindi Day, Cosmo Foundation reaffirmed its commitment to fostering language as a bridge of unity and inclusivity. At Cosmo Gyan Vihar Centres, Balmitras are **empowering over 300 migrant children across 44 locations** in Gujarat and Maharashtra with **foundational literacy in Hindi**, along with **Gujarati, Marathi, Urdu, and English**. By nurturing multilingual learning, the initiative ensures that rural students in Karjan and Aurangabad gain access to inclusive and meaningful education, building strong foundations for their academic and personal growth.

Engineers' Day

On Engineers' Day, Cosmo Foundation proudly salutes its **former students** who, nurtured through our educational initiatives, have blossomed into accomplished engineers. Many of them are now **shaping their professional journeys at Cosmo First Ltd.**, transforming aspirations into achievements and contributing to building a brighter future. This milestone reflects our commitment to empowering youth through education and creating pathways to success.

Ozone Day Celebration

On Ozone Day, Cosmo Foundation's Balmitras engaged in **creative activities** to raise **awareness about the environment** and the **importance of protecting the ozone layer**. Through **drawing and interactive sessions**, the young participants expressed their understanding of environmental conservation. This initiative reflects the Foundation's commitment to nurturing responsible and eco-conscious future citizens.
