Cosmo Spreading Warmth in Chilled Winters

Our continuous effort to be **"PEOPLE FIRST"** served needy patients in chilled winter.

As the cold wave grips north India, the plight of patients and caregivers waiting in front of Delhi's top hospitals is unimaginable. On the eve of new year, as a part of care outreach **4000 blankets and ready-to-eat meals** were distributed in five hospitals namely Ram Manohar Lohia Hospital, Delhi State Cancer Institute, National Institute of Tuberculosis and Respiratory Diseases, Safdarjung Hospital, and Shree Agarsain International Hospital of New Delhi with the support of ISKCON. Expanding Wings of Educational Intervention

12

Initiated two new Computer labs in Karjan block (Primary school-Juna bazar and Kanbha) – **555 new students** are enrolled.

2

Started two Cosmo Gyan Vihar Centres in (Kandari Gochar Koliyad) with extra coaching under Nipun Bharat (Khandha & Jalaram Nagar) in Karjan block – **319 new students** are enrolled.

3

Started a CGVK class in Urdu medium at Ambelhol village of Aurangabad. **50 new students** are enrolled.

Computer Literacy Program

6600 students – 23 labs

Young students are gradually learning basic computer operational skill, digital art in GNU paint, calculator, setting desktop background, theme, date & time and introduction to writer. Highschool students are learning MS office with basic formatting, typing, google forms, social media and internet browsing.

In Aurangabad – initiated mid-term assessment by conducting oral, written, and practical tests across the villages.

Basic English Learning Program

1717 students

Full-fledged classes are conducted and young students are learning sight words, phonics, blend vowels & consonants, word construction, action words and self-introduction. In high school - basic functional grammar, conversation, comprehension and sentence formation are taught. A crash course for 10th std students was conducted to prepare for board exam. Students are gradually acquiring basic knowledge and reciprocate responsibly.

Cosmo Gyan Vihar Kendra

2538 students

Students acquired native language skill of reading, writing and enhanced the skill of simple arithmetic. Students' attendance, handwriting, expression, creativity, communication and dictation words ability have drastically increased. Post mid assessment and modification in the curriculum lifted the spirit of students.

My name is Pritesh.
I live in Methi.
I am a student.
I like to play cricket.
I study in 8th class.
I am 13 years old.
My father's name is Sureshbabu.

450 four-line notebooks were distributed in Waluj and Turkabad to build correct writing skills.

Cosmo Udayan Shalini Fellowship and Mentorship Program

Cosmo Shalini and CF Mentors attended the 14th Induction ceremony organized by USF. 10 Shalinis are sponsored this year by Cosmo Foundation. CF mentors are actively engaged in guiding Shalinis for pursuing their future studies in respective streams. Total **40 Cosmo Shalinis** are getting education support, exposure and mentorship.

Currently, I am pursuing my B.S.c I wish to be a Police Officer in future. I have registered in Police Recruitment Academy in Amravati district and started physical ground workouts. As a Shalini in USF and with due guidance from Cosmo Mentors, I have been groomed in areas of - personality development, communication, discipline, punctuality, critical thinking, general knowledge etc. I am lucky to be under the shelter of CF. I am getting the best subject knowledge. Never ever I had personal attention from anyone else before.

- **Sanjana Shinde. Turkabad - Aurangabad.**

Parents Engagement

350 + parents participated

Interactive and informative discussions were held on - the Role of Parents in Education. The topics on discipline, regularity to attend classes, correct study skills, students growth, performance, potential skills & abilities were discussed. Parents from Jikthan and Kagzipura villages of Aurangabad attended the meeting.

Partnership Building

Felicitation of CF on the occasion of Golden Jubilee celebration at Bodka High School and in annual day function at Choranda Highschool. Villagers and school management committee highly appreciated CF's contribution in setting up computer labs, foundational literacy classes, organizing batches on English communication with quality outcome and construction of sanitation blocks in schools.

Cosmo Foundation represented in YI, CII annual day and planned training of teachers and youth on soft skills & financial literacy

Environment

Cosmo Tree Plantation Drive

An exposure training for farmers was organized in village – Gajgaon, Aurangabad on vermicomposting, intercultural operation guidance, water and fertilizer management, diseases management, pruning management, etc. 26 farmers actively participated and vermicomposting beds were distributed to 20 farmers. A farmer named Shaikh Ayum Karim was felicitated with Sprayer Pump for best performance.

Events and Celebrations

World Computer Literacy Day

2nd December marked as World Computer Literacy Day with an aim to bridge digital divide. A session on – Significance of Computer Operation and Digital Skill Building was undertaken with students followed by orientation on career options in IT sectors with **5000+ youth** across **27 schools**.

World Electricity Day

Made creative posters on 'Save the Energy'. A session on wind and solar energy was conducted in foundational literacy classes across the villages.

National Mathematics Day

CF organized maths lab with **2850 rural students** across Cosmo Gyan Vihar Kendra. Mathematical games, puzzles and fun quiz on – measurements, numerical knowledge, financial transactions, basic calculation of algebra and geometry were organized.

Human Rights Day

A seminar was conducted by CF on Basic Human Rights of Citizens. Adv. Chaitanya Dharurkar gave information on '**Making Children Better Citizens**'. All school teachers, principals, and cluster teams attended the program.

Organized a webinar for rural parents, students and community-based teachers. Mr. Nirav Dave – A Founder of Aturta Foundation conducted a session on the origin of Human Rights & Responsibilities of citizens with short stories.

Christmas and New Year Celebration

Decorated local trees, sang jingles and stories of Christmas followed with chocolates & gifts by Santa Clause.

Valued Verbatim from Community

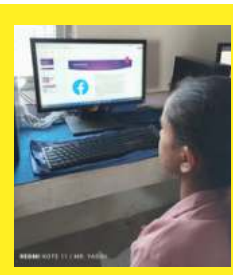

My son is studying in 5th class at Primary school, village- Methi. He has learned basic greetings in English, the correct method of writing English with the application of capital letters and word formation. I am thankful to Cosmo Foundation; without your intervention, my child would have not learned this with confidence.

- Popatsingh Thakor, parent, Village – Methi, Karjan

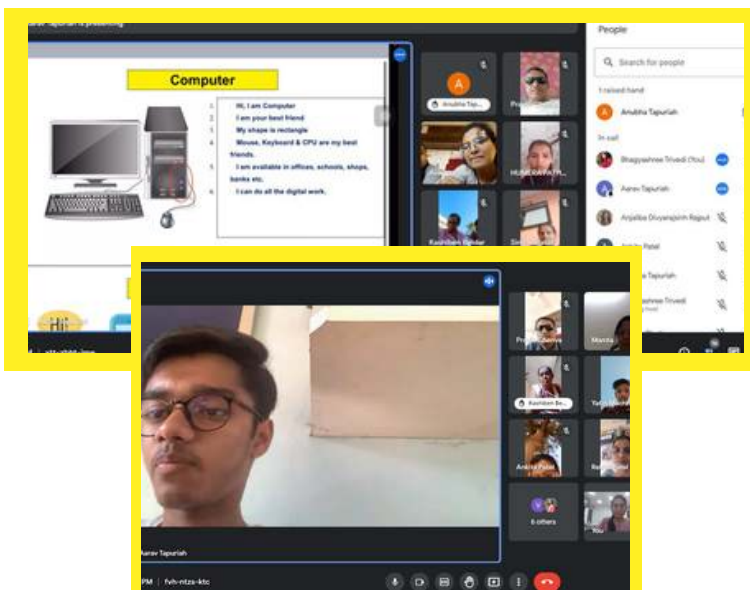

Interschool Competition for Rewards

The final round of Interschool Assessment was organized by conducting practical and written exams of students shortlisted from Computer Literacy Program. The assessment process included theory, practical tests and interviews by external resource person.

Social Internship

As a part of social internship, Arav Tapuriah – 10th class student conducted training of community based teachers of Cosmo Foundation.

1 Digital Skill Building

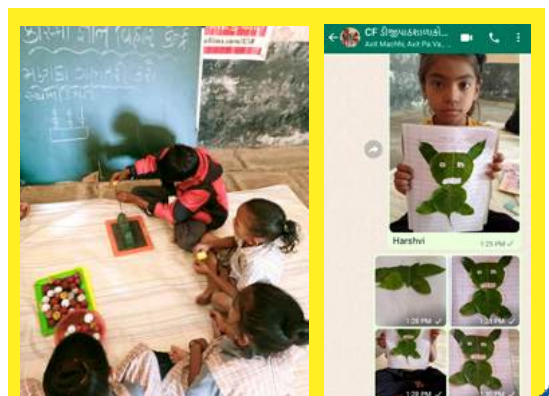

Methods and steps to design event posters, a demonstration and assignment to design a poster on "Christmas Day".

2 English Communication

Communication practice on introducing oneself, conversation practice and the importance of greetings in day-to-day life.

Visual Glimpses

Visual Glimpses

Since 2018, CF has been running Computer Literacy Program in my school. CF has provided teacher as well as hardware repair. Now computers given by the school are obsolete and CF upgraded the computer lab by installing new desktops. My entire school management committee and villagers are thankful to CF for its kindness and great service for the poor children of our village.
