May 2026

Transforming lives of communities through
Education, Environment and Empowerment initiatives

Overview

May 2026 marked a month of impact for Cosmo Foundation, driven by the visionary leadership of Managing Trustee, Ms. Yamini Kumar Jaipuria. On the global stage, Cosmo Foundation hosted **International Symposium** and anchored **India's representation on the World Fair Play Day**, uniting **1,000+ rural and urban athletes** across 27+ locations and 12 sports disciplines under the spirit of **"One Spirit. One Pledge. One India"** — earning recognition from the International Fair Play Committee and the United Nations.

On the education front, the Foundation's summer programmes transformed the season into a powerful learning opportunity. **900+ children** participated in holistic **summer camps** spanning 14+ villages, while **500+ students** were equipped with **digital skills in Basic Computer Operations**, Canva, Generative AI, and Cyber Safety. Simultaneously, **500+ youth** built **English fluency** through structured offline and virtual courses, empowering rural voices with confidence and communication.

Women's empowerment remained a defining pillar of the month. The landmark **Nari Ki Savari Suraksha Kavach Initiative** distributed **100 safety helmets** to women trained in two-wheeler and four-wheeler driving, while the **Business Wellness Program** with Kaarigar Clinic elevated 20 rural women entrepreneurs through digital marketing and business mentoring.

On the environment front, Cosmo Foundation's agroforestry initiative brought **thriving mango harvests** to 66 Karjan farmers, while a water ATM installation delivered clean drinking water to Kagzipura's residents — affirming the Foundation's commitment to building healthier, self-reliant communities.

Through this holistic blend of ethical sportsmanship, advanced technical literacy, and socio-economic empowerment, Cosmo Foundation continues to build a resilient, future-ready society. Ultimately, these diverse initiatives showcase how targeted community support can transform rural lives and create lasting sustainable development.

Representing India at International Level

Cosmo Foundation Anchors Global Fair Play Movement

Under the visionary leadership of Ms. Yamini Kumar Jaipuria, Managing Trustee, Cosmo Foundation **hosted the International Symposium in collaboration Dr. B. R. Ambedkar Sports Foundation on World Fair Play Day 2026** at ISIC, New Delhi - **reaching over six million participants** globally through a hybrid format. Endorsed by the **International Fair Play Committee (CIFP)** and recognised by the **United Nations**, the symposium advanced recommendations to integrate Fair Play into NEP 2020, proposed a National Fair Play Committee of India, and strengthened India's role in the global ethical sports movement. Panel discussions spotlighted ethics in sports governance, value-based youth education, anti-doping frameworks, ethical leadership, and the role of traditional sports in community bonding.

As India hosts the world's second annual World Fair Play Day Celebration, I extend my highest appreciation to the visionary leaders Ms. Yamini Kumar Jaipuria, a long-standing and highly valued member of the CIFP Council to made this historic milestone possible. Through her dedicated leadership, and in close partnership with Mr. Ashok Jaipuria and Cosmo Foundation, she has made significant contributions to advancing the values of Fair Play. Their unwavering commitment continues to be an invaluable asset to the CIFP and to the growth of the global Fair Play movement.

Breaking Barriers: Cosmo Foundation Sparks Linguistic Transformation

During this year's summer vacation, the Cosmo Foundation organized an English learning program across nine schools, enabling **269 young students** to **build fluency word, vocabulary, and basic communication skills** through a dynamic blend of offline activities. Expanding this linguistic outreach, the Foundation also conducted dedicated offline training for **166 ITI students**, teaching them essential **tenses and communication skills** to effectively express and share their unique ideas. Simultaneously, the team hosted an intensive, **15-day virtual English Fluency Development Course** for over **70 youth including USF Shalinis** that focused on **advanced communication, storytelling, and interactive grammar**. Ultimately, this impactful grassroots initiative has earned widespread praise from both parents and educators alike for removing learning barriers and transforming rural youth into future-ready creators and digital leaders.

“

I completed the well-structured English Fluency Development Program organized by Cosmo Foundation, which offered convenient, daily live sessions on Google Meet. The program's special features—including vocabulary building, correct sentence formation, and interactive games—successfully transformed my spoken English and dramatically boosted my communication confidence. I am deeply grateful to the organizers for providing such a premium, valuable learning experience entirely free of cost.

- Rupali Prakash Gangve, Student , MA. Psychology & USF Shalini

The Digital Shield & Fluent Voices: Cosmo's Summer Change

This summer, Cosmo Foundation empowered **504 rural children and youth** through its structured **digital learning programs**, helping bridge the rural–urban digital divide. The initiative offered learning pathways tailored to different skill levels. A total of **308 children were introduced to Basic Computer Operations**, gaining hands-on experience in essential digital tools and applications such as Paint, Calculator, Notepad, MS Word, computer hardware fundamentals, typing skills, and file management. The course helped build confidence and digital familiarity among first-time learners. Simultaneously, **196 children and youth participated in Advanced Digital Skills Training**, where they explored industry-relevant tools and concepts including MS Office, Graphic Design with Canva, Generative AI applications, NotebookLM and Cyber Safety & Digital Security. The program equipped learners with practical skills needed for education, employability, and responsible digital citizenship. By transforming technology from a source of entertainment into a tool for learning and growth, the initiative has been widely appreciated by parents, educators, and communities.

“

“Completing Cosmo Foundation's summer batch was a truly transformative experience for me. I gained hands-on skills in digital tools like Canva, AI, and advanced MS Office, while the English fluency and GK classes immensely boosted my confidence, communication, and ultimate dream of becoming an IAS officer. I am deeply grateful to my supportive teachers and Cosmo Foundation for giving me the tools and inspiration to fearlessly pursue my future”

- Urvashi Vasava, Student - Class 10, Shreeji Krupa Sarvajanik Vidyalay, Village: Koliyad

Cosmo Summer Camp 2026: Empowering Rural Children

The countdown officially culminated in celebration as Cosmo Summer Camp 2026 wrapped up with resounding success across fourteen villages in **Karjan, Gujarat, and Gangapur, Maharashtra**. Designed as a transformative initiative to fuel curiosity and joyful, experiential learning, the camp engaged over **900 local and visiting vacationing children** in a vibrant journey of holistic growth through a perfect blend of academic enrichment, creativity, culture, wellness, and 21st century life skills.

900+ Students participated in Summer Camp

Academic and Cognitive Enrichment

Scientific experiments, English dialogues, word games, mathematical magic, map and civic awareness

Life Skills for the Future

Mobile manners, cyber safety, digital responsibility

Hands-on Experience

Students led fun fair with food stalls - learning real world skills in business planning, and economic behaviour.

Creative and Cultural Workshops

Pottery, puppet making, woolen flower art, paper craft, drawing art, stone art, best from waste & traditional games like marbles, spinning top, musical chairs

Wellness & Inspiration

Yoga, meditation & inspirational movie screening like Dhangal and Bal Ganesha

Education

The Ripple Effect of Education: Celebrating Our Next-Generation Stars

The transformative power of education extends far beyond our immediate work, creating a profound ripple effect that empowers the next generation of the Cosmo Foundation family to excel in higher education and meaningful careers. We are incredibly proud to celebrate these stellar milestones.

Banshi Vasava

A daughter of our Balmitra from village Simli overcame severe hardships to achieve an outstanding **91.83%** in her **SSC Board examinations**.

Rohit Unhale

The son of one of our Balmitras has **completed his BSc** and is now pursuing his **MSc**, marking another important milestone in his academic journey.

Ninad Muley

A son of our Balmitra secured an impressive **91 percentile** in the **JEE examination** along with **79%** in **Class 12 Science**, paving the way for a promising career in Engineering.

Harshvardhan Lihinar

The son of our Cluster Coordinator has been **selected for the Agniveer program**, marking a proud achievement and the beginning of his journey in serving the nation.

From the Classroom to the Khaki Uniform: Story of Shalini

"My transformation into a police trainee is proof of what can happen when personal grit meets the right educational support. Recognized early on for my academic potential, I became a beneficiary of the Udayan Shalini Fellowship (USF), supported by Cosmo Foundation. This life-changing program provided me with continuous financial assistance and mentorship from Class 10 through my graduation. To complement my high school education at Shree Ganesh Vidyalay, Gajgaon, I also joined Cosmo's Computer Literacy Program (CLP), where I mastered vital digital skills and built the communication confidence needed to pursue my grandest ambitions.

Driven by a lifelong dream to serve society, I stayed laser-focused through years of disciplined hard work. With the foundation's continuous guidance and capacity-building workshops, I successfully overcame financial barriers to join the police department. Today, I am proudly undergoing rigorous training in law enforcement, discipline, and physical fitness.

From a fellowship student to a police trainee, I have transformed my dreams into reality. I hope my journey inspires other young minds to believe in themselves, stay dedicated, and fearlessly strive for success."

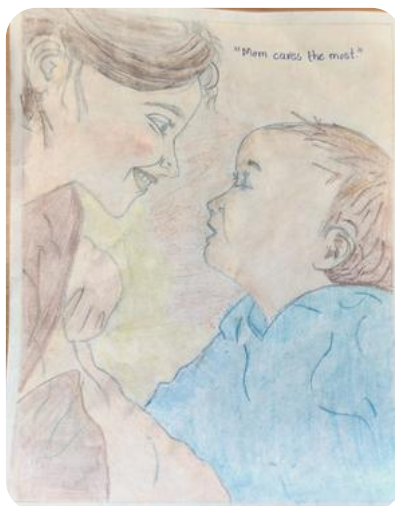

- Ms. Vaishnavi Pandhrinath Hiwale, Police Trainee, Village: Gajgaon

Empowering Rural Creativity Through Competitive Platforms

This Mother's Day, Cosmo Foundation guided and supported **25 students** from Karjan and Gangapur to participate in the **"Meri Maa" Mother's Day Painting Competition organised by Dainik Bhaskar**, where young artists beautifully expressed their love and gratitude through creativity. Additionally, **four students** showcased their talent in the **Mother's Day Special Poster Competition organised by Intellectual Sprouts**. These platforms provided rural students with valuable opportunities to celebrate the strength, sacrifice, and spirit of their mothers through art. By encouraging participation in creative competitions, Cosmo Foundation continues to nurture confidence, artistic expression, and talent among rural children.

Empowerment

Empowering Women's Mobility and Safety in Vadodara

Driven by a powerful vision of enabling mobility, ensuring safety, and transforming women into self-reliant breadwinners, the **"Nari Ki Savari Suraksha Kavach Initiative"** marks a major milestone in grassroots female empowerment. Spearheaded by Shri Maharani Chimnabai Stree Udyogalay under the visionary guidance of Her Highness Radhikaraje Gaekwad, and robustly supported by Cosmo Foundation and Silox India, Nari ki Savari program equips women with two wheeler and four wheeler driving skills, licensing, self-defense training, and vital financial literacy. The event was graced by **Her Highness Dr. Radhikaraje Gaekwad** (Vice President, SMCSU) as Chief Guest, alongside Guests of Honour **Alpana Parida** (Founder & CEO, Tvarra and Member of CSR Committee, Cosmo First Limited). The initiative culminated in a powerful safety drive where Cosmo Foundation and Tvarra Helmets joined hands to distribute specially designed **safety helmets to 100 women beneficiary** of Nari ki Savari. By combining protective gear with critical socio-economic skills, this landmark collaboration ensures that these rising women entrepreneurs and professionals can navigate their paths toward career growth with absolute confidence and security.

Empowerment

“

“Women across communities often share similar challenges - the need for mobility to grow, support their families, and overcome challenges. Seeing women from interior villages gain driving skills, enabling them to pursue higher education and livelihood opportunities, fills me with immense pride. Thank you, Cosmo Foundation, for partnering with MCSU and empowering those who need it most.”

- Her Highness Dr. Radhika Raje, Vice President, SMCSU

“

“After losing my husband, I needed a way to support my two children. The two-wheeler training and licence I received under Nari Ki Savari empowered me to transform my small tea stall into a mobile delivery service. Today, I deliver 100 cups of tea daily to nearby factories through two wheeler and earning my own living with pride and independence.”

- Ilaben Kiranbhai Vasava, Village: Kurali, Vadodara

Scaling Sales: Digital Tools Empower Women Entrepreneurs

To strengthen rural entrepreneurship and enhance market access, Cosmo Foundation, in **collaboration with Kaarigar Clinic**, conducted **two online capacity-building sessions** under the **Business Wellness Program** for **20 rural women entrepreneurs**.

Session 1: Business Mentoring

Business progress review | Address operational challenges
| Income Growth Strategy | Set clear OKR for business expansion

Session 2: Digital Marketing & Promotion

Social media promotion | Content Creation | Customer engagement
| Create product reel | Market benchmarking | Video editing

Key learning

Enhance Digital Marketing Skills

Set objectives and key result

Content Creation Skills

“

“The Business Wellness Program by Cosmo Foundation and Kaarigar Clinic transformed my entrepreneurial journey. Training in digital marketing, social media promotion, AI tools, and diversified sales channels significantly increased my fabric jewellery sales and inspired me to launch a homemade soap business. Today, I receive 10–12 soap orders daily and have generated over ₹9,000 in just two months, helping me build a more secure and confident future for my family.”

Rooted in Care: How Clean Water is Revitalizing Kagzipura

Driven by an unwavering commitment to community well-being, the Cosmo Foundation has brought clean, safe drinking water to the residents of Kagzipura. This initiative was realized through the **installation of a modern water ATM**, ensuring sustainable and easy access to purified water for every household. By addressing this fundamental need, the foundation has not only safeguarded public health but also brought transformative, lasting change to the entire village.

“For many years, our village depended on well water for drinking, which often caused health problems and frequent illnesses among the villagers. The drinking water facility provided by Cosmo Foundation has brought a positive change to our lives by ensuring access to clean and safe water. This initiative will help protect our families from water-borne diseases and improve the overall health of our community. I sincerely thank Cosmo Foundation for this valuable support and encourage everyone to use this safe drinking water for a healthier future.”

- Sarika Sonvane, Resident, Village: Kagzipura, Chhatrapati Sambhajnagar

Agroforestry Initiative Bears Fruit for Karjan's Farmers

Cosmo Foundation's **agroforestry initiative** is creating a meaningful and lasting impact on **66 farmers** in Karjan. Under this programme, each farmer received quality **mango saplings** along with **organic fertilizers** and **hands-on, continuous agricultural training** to ensure healthy and sustainable growth. The dedication and consistent support have begun to show remarkable results — **mango trees are visibly thriving** across farmlands this season. Farmers are now generating a steady income from their harvest, transforming their land into a reliable and dignified source of livelihood for their families.

Employee Engagement

Beyond the Workplace: Advancing Women's Mobility with Safety

The Nari Ki Savari Suraksha Kavach initiative was distinguished by the presence of **Uday Deshpande** (Plant Head, Cosmo Films Ltd.) and **Nilesh Shah** (Manager-Finance & IT, Cosmo First Ltd.). Demonstrating corporate solidarity, **Shreya Mishra** and **Bhakti Patel** from Cosmo First Karjan actively participated to support the beneficiaries. In an **inspiring address**, Bhakti Patel highlighted how enhanced mobility serves as a cornerstone for women's empowerment, effectively unlocking new economic opportunities and fostering independence across communities.

Beyond the Workplace: Advancing Women's Mobility with Safety

Demonstrating our deep commitment to grassroots mentorship, a dedicated **team of Cosmo First Ltd.** visited the remote villages of Chhatrapati Sambhajinagar to connect with local **USF Shalinis** in their homes. Witnessing firsthand both the simple and challenging living conditions, our team members—including **Satish Jamkhedkar**, **R K Gupta**, **Bhagyshree Doshi**, **Pardeep Masalkar**, **Mamta Masalkar**, **Atharv Jamvadikar**, and **Sachin Narute**—were profoundly moved by the unshakeable determination in the eyes of these **20 young girls**, reinforced the power of compassionate mentorship, proving that with the right guidance, support, and encouragement, these young girls can achieve their aspirations and build independent, successful futures.
