April 2024

Transforming lives of communities through
Education, Environment and Empowerment initiatives

Overview

In April 2024, Cosmo Foundation implemented range of CSR activities, resonating with purpose and vitality. We conducted **dynamic summer camps, reaching out to tribal areas and organized certified courses of digital and English literacy programs.** Our students excelled in annual assessments, reflecting our commitment to quality education. Despite challenging conditions, our green initiatives thrived, with **85% of mango saplings flourishing**, and **a solar plant at Kagzipura** ensured a sustainable future for ancient paper art.

Our empowerment programs for **girls yielded success**, with many **securing placements in prestigious companies.** Behind every achievement, there stood our dedicated team, including the enthusiastic **employees of Cosmo First**, who spearheaded impactful initiatives like **rejuvenating Earth Day walks and inspiring visits to Kagzipura.**

As we celebrated **national days and festivals**, we spread joy and awareness, weaving a tapestry of culture fabricating unity amongst diverse faith.

Education

Learning Beyond Limits: Tech-Infused Initiative

Cosmo Foundation's partnership with BalVidyaSchool, New Delhi brings innovative learning to underprivileged children. **CF transformed their educational experience with a state-of-the-art computer lab, equipped with smart class technology and a vibrant library set up.** Additionally, provided life skills education and English coaching to **250 students**, paving the way for brighter futures.

“

We extend our heartfelt gratitude for your generous contribution to VidyaBalVihar. **Your support has transformed our educational environment, providing modern computing resources and smart boards that empower our teachers and engage our students in dynamic learning experiences.** Your dedication to equal access to education is evident in your contribution to our library's books and teaching aids. Thank you for your invaluable support, which inspires our school community and positively impacts the lives of our students.

Ranju Dahiya - Teacher, Bal Vidhya Vihar Delhi

Fueling Talent, Inspiring Futures – Cosmo Computer Awards

Cosmo Foundation has been fostering outstanding Digital Skills through Cosmo Computer Best Performance Awards, nurturing talent growth. **10 outstanding students were honored with prestigious prizes including laptops and trophies**, while an additional 30 students were acknowledged, encouraging all to strive for excellence. This month, **awards were presented to the deserving students at Kandari and Handod High School, Karjan, by the Managers of Cosmo First Limited, CSR Head of Cosmo Foundation, along with members of the Board of Education and the Principal.** Let's celebrate their achievements and continue empowering the next generation to make them digital leaders.

Summer Camps

1. Reaching to Unreached – Summer Camp with Tribal Children of Gujarat

Cosmo Foundation has been at the forefront of promoting ECCE through activity-based learning. CF partnered with **Sarvodaya Trust** to conduct a **vibrant summer camp at their residential school in Khadki village, Dharampur Taluka, Valsad district** (interior regions of South Gujarat). The organization facilitates various educational and co-curricular activities annually. This time our enthusiastic Balmitras organized a **lively three-day camp**, packed with interactive activities like **printing, Songs and Stories, English Language Development, art and craft etc.** Children immersed themselves in these engaging activities. This three day workshop ignited their curiosity and passion for learning in a truly interactive and enjoyable way.

“

I extend my heartfelt gratitude to the Cosmo Foundation for its invaluable contribution to nurturing the skills of our children. The dedication and expertise exhibited by the **foundation's team have truly enriched the educational experiences of our young learners.** Their unwavering commitment to excellence has made a profound impact on the activities conducted for our children.

Namdev Bhai Jadav, Teacher from Sarvodaya Parivar Trust, Pindwal Village: Khadki

2. Digital Skill Building & English Language Development - Summer Courses

No.	Name of the Course	Karjan		Chatrapati Shambhajnagar		Total	
		No. of Schools	No. of Students	No. of Schools	No. of Students	No. of Schools	No. of Students
1	Computer Familiarity Course for Young Children	7	85	10	219	17	304

Glimpses of Summer Camps - Chatrapati Shambhajnagar

Capacity Building of Cosmo Teachers

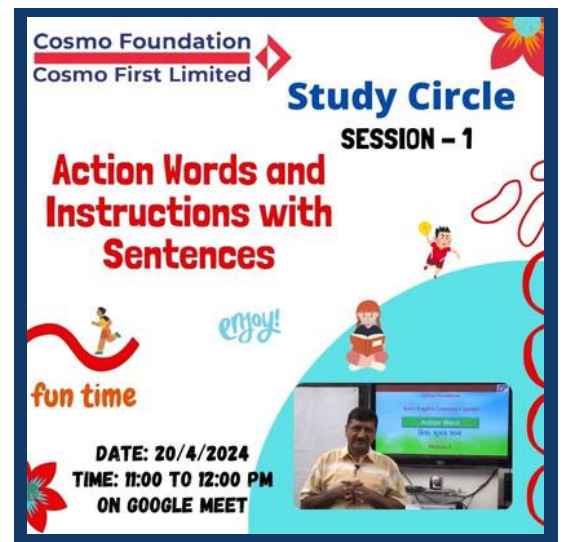

1. Excel Excellence: Empowering Teachers for Enhanced Learning

In our ongoing pursuit of quality education, CF recently conducted an enriching online **Advanced Excel training session** led by our teacher, Miral. Training covered essential topics such as **conditional formatting, keyboard shortcuts, tabular presentation, shortcut formulas, generating invoice, salary sheets, and more.** Through interactive sessions and hands-on practice, our teachers gained valuable insights and skills to leverage Excel for administrative and academic tasks effectively. It reflected commitment to continuous professional development, ensuring our educators are equipped to create enriching learning experiences.

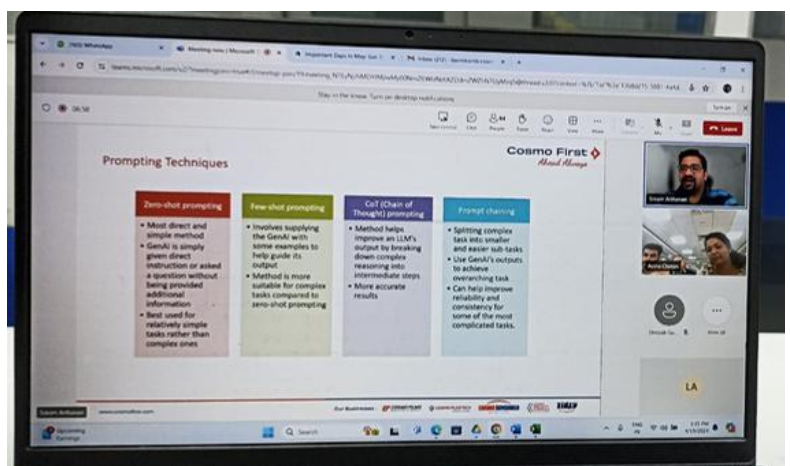

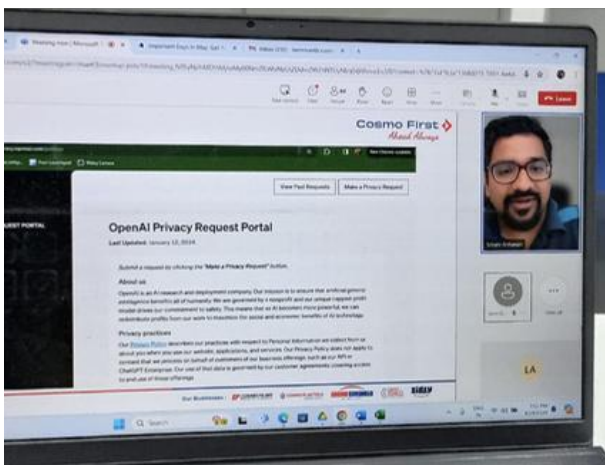

2. Training on Functional English Grammar

Cosmo Foundation prioritizes skill and language enhancement, exemplified by organizing an internal '**Study Circle Group**' dedicated to English language training for teachers. These sessions, focused on **Action Words and their application, Sentence Formation, Conversation Practice, Application of Have, Has, Application of There is and There are and Application of It,** saw enthusiastic participation from teachers. They engaged in collaborative learning, sharing insights, solving exercises, and self-analysis, all aimed at enhancing their teaching proficiency. At Cosmo, the journey of learning and education never ceases.

3. AI Tools for Enriching Education

Embracing the transformative power of artificial intelligence, Cosmo Foundation hosted a dynamic teacher training session led by **Mr. Shriram, Head IT Cosmo First Ltd.** He spoke about Fundamentals of AI, leveraging different version of ChatGPT & Use of ChatGPT more effectively. The session empowered teachers to streamline their work processes and enhance project efficiency, fostering a tech-driven educational environment.

A Journey from Cosmo Student to University Intern

Rudradatta Bhatt, a proud native of Sandarana village. From primary school to Sri KanamVidyaMandir, his educational journey was enriched by Cosmo Foundation programs like Cosmo GyanVihar and Computer Literacy. This laid the groundwork for his prestigious Cosmo Computer Award in 2013-14. Now pursuing an MSW (HR) at Anand Institute of Management Studies, Rudradatta recently completed a transformative three-month Rural Internship with Cosmo Foundation. Here, he mastered computer literacy for rural children and gained invaluable insights into team management and CSR operations. Rudradatta's journey from rural student to skilled professional is a testament to the transformative power of education and opportunity.

From Student to Teacher: A Journey of Empowerment

Swati Santosh Karpe's journey from Turkabad village exemplifies the transformative power of education. Starting with basic computer skills at Cosmo Foundation, she went on to pursue a BSc in Computer Science. In December 2023, Swati returned to Cosmo Foundation as a computer teacher, marking a significant milestone in her career. Her employment not only provided financial support to her family but also underscored the tangible impact of education and employment opportunities in uplifting individuals and communities. Swati's story serves as a beacon, highlighting the importance of investing in education for a brighter future.

World Health Day – 7th April

Underlining the theme "**My Health, My Right**" campaign, Cosmo Foundation ensures accessible, quality healthcare, education, and information for everyone. On the eve of World Health Day, CF organized **free health check-ups for community members** in Choranda and Methi villages of Karjan and in Gajgaon village of Chhatrapati Sambhajinagar. **Over 350 community members benefited across these locations, receiving diagnoses and examinations for various ailments, including gastrointestinal problems, diabetes, cataracts, joint pains, eye infections, and dental issues.** Our dedicated team of doctors provided guidance on primary healthcare and facilitated further treatment at hospitals with free transportation. We express our gratitude to all collaborators for their selfless services, making healthcare accessible to villagers. Together, let's prioritize our health, commitment to regular check-ups, and embrace a well-being-focused lifestyle.

Health & Hygiene

Sun-Powered Paper Kagzipura's Green Revolution!

Shining Bright, Crafting Sustainably! - We're thrilled to announce a groundbreaking initiative at Kagzipura Handmade Paper Mill – the **installation of a fully operational solar power plant atop a picturesque hill, harnessing the abundant sunlight to power our paper-making process.** This eco-friendly endeavor fuels our entire paper production process in full steam, from bleeder to calendar and paper cutting machines. We're revolutionizing the process by making it smoother, more refined, and eco-conscious. Additionally, our solar-powered water pump ensures efficient water usage for both papermaking and nurturing the surrounding coconut trees, promoting ecological balance.

With this initiative, **we've achieved 100% energy savings, paving the way for a greener, more cost-effective future.** Join us in our journey towards sustainability and innovation – together, we're crafting a brighter tomorrow, one handmade sheet at a time!

Kagzipura Handmade Paper

Exploring Environmental Solutions A Collaborative Visit to the Biodiversity Hub

In a collaborative effort to address environmental challenges, **Mr. GovindDusange, Tisgaon Site In charge at the Maharashtra State Electricity Board, and Mr. Naval Helani, a distinguished member of the Rotary Club Chatrapati Shambhajnagar, recently visited the Biodiversity Hub.** During their visit, they delved into discussions on crucial topics such as water solutions, strategies to mitigate tree mortality rates, and the identification and growth of tree species. Both esteemed visitors expressed profound admiration for the impactful work being undertaken by the Cosmo Foundation. Their enthusiasm and support served as a testament to the importance of collaborative endeavors in shaping a sustainable future.

Thriving Green: Cosmo Tree Plantation Drive Update

In our ongoing Cosmo Tree Plantation Drive, A total of 15,000 mango saplings were distributed among 66 farmers in villages across Karjantaluka. Currently, an impressive **85.86% of the saplings are thriving, despite facing challenges from the intense summer heat.** Sadly, **14.13% have been lost, but our resilient farmers are not deterred.** They're implementing innovative techniques like **drip irrigation, which has increased from 7% to 11%, along with fencing and rigorous watering, now at an impressive 95%.** Other fruit trees, like **Jamun, are also growing well.** This is a testament to the dedication and determination of our farmers and the success of our collaborative efforts towards a greener sustainable future.

Empowerment

Driving Change: CF's Empowerment Drive for Girls

In a groundbreaking collaboration with ISIE India and Julandhar Motors, Cosmo Foundation embarked on a transformative journey to train **30 girls in Auto Electrical and EV Assembly Technician Course**. Set against the backdrop of rural landscapes, this initiative aimed to equip young women with practical expertise in EV technology, opening doors to a world of opportunity. The results speak volumes: **16 girls have secured placements in esteemed companies, while 14 girls have completed the interview process and their will be joining the company soon**. With starting salaries ranging from 15 to 20 thousand, these empowered individuals not only soar towards personal success but also uplift their families, embodying the true spirit of progress.

Employee Engagement

“

Delightfully, over 150 Cosmo First employees joined various activities this month.

It's inspiring to witness their enthusiastic engagement and shared vision, uplifting Cosmo Foundation and transforming the lives of the underprivileged with concerted effort.

”

Greening Our Future: Earth Day 2024

Cosmo Foundation and Prayas Youth Foundation are dedicated to nurturing Mother Earth with passion and a sustainable approach through the Cosmo Tree Plantation Drive project. On the eve of Earth Day, **over 100 + Cosmo employees from Delhi and ChatrapatiSambhaji Nagar ventured into the forest for a rejuvenating walk and prepared seedballs.** It was a wonderful opportunity to immerse themselves in nature and contribute to the well-being of our planet. Let's make every day Earth Day and keep our planet thriving for generations to come!

Cosmo USF:

Cosmo USF extends sincere gratitude to Mrs. Mamta Masalkar, Ms. Alka Harak, Mrs. Shweta Joshi, and Mrs. Bhagyeshi Doshi for their invaluable contributions. Their attendance and support during workshops, as well as their completion of home visits, have been truly appreciated. Special thanks to Mr. Ganesh Girdhari, Mr. Satish Jamkhedkar, Mr. Ashutosh Katkar, Mr. Govind Mali, and all Cosmo Mentors for their pivotal role in ensuring the success of the home visit process in collaboration with USF.

An impactful session focusing on the development of soft skills was recently organized by Cosmo Foundation.

During our monthly mentor meeting on Saturday March 9th 2024, Mr. Mukesh from Delhi joined us, and Mrs. Mamta Masalkar's active participation played a crucial role.

On Sunday March 10th 2024 we celebrated Women's Day, with notable participation and leadership demonstrated by esteemed Cosmo mentors Ms. Alka Harak Ma'am and Mrs. Bhagyashree Ma'am.

Empowering Tech Talents: Cosmo Computer Awards

Cosmo Foundation celebrated the achievements of talented students in computer skills with an awards ceremony at Handod and Kandari High School, Karjan. Distinguished guests from Cosmo First Limited, Karjan plant, including **Mr. Parag Deshpande, Mr. Ashvin Runija, and Mr. Amit Katage, honored the students with trophies and laptops, inspiring them for a promising future in the digital realm.** Their insights into digital literacy ignited the aspirations of young minds, making the event a beacon of inspiration. We extend our heartfelt appreciation to our esteemed guests for their invaluable support and guidance.

It was truly inspiring to witness the rewards function at Handod School, where our team's efforts were celebrated. A big thank you to Principal Mr. Sanjay Patel and the dedicated staff of Cosmo Foundation for their invaluable support and cooperation. Your collaboration ensures that our initiatives continue to make a positive impact on the students' lives.

Mr. Ashvin Runija, Dy. Manager Supply Chain, Cosmo Films Limited, Karjan

It brings joy to witness the learning spirit and thirst for knowledge among deserving students.

Cosmo Employees at Kagzipura: Model Heritage Village

We commemorated Heritage Day, 18th April 2024 in Kagzipura, delving into its rich tapestry of tradition under the theme **"Discover and Experience Diversity,"** graciously supported by INTACH and Cosmo Foundation. Our dedicated **employees from Cosmo First Waluj** visited **Kagzipura village**, engaging with local artists and witnessing the **eco-friendly process of handmade paper-making powered by 100% green energy**. They also interacted with young students in our Cosmo computer class. Cheers to our employees for their enthusiasm in preserving and promoting our Model Heritage Village Kagzipura! Let's discover, experience, and promote our heritage sites together!

Events

Celebrating Ramzan EID

CF brought the spirit of RamzanEid alive in Madrassa, spreading awareness and understanding of the festival's significance among 100 + children and community members. It was a beautiful celebration, where bonds of unity were strengthened and cherished. As part of the festivities, an Iftar party was organized, where children eagerly participated in the sacred tradition of opening the Roza. Children exchanges heartfelt greetings of Eid Mubarak, with crafted cards, radiating love and warmth.

[CLICK HERE](#)

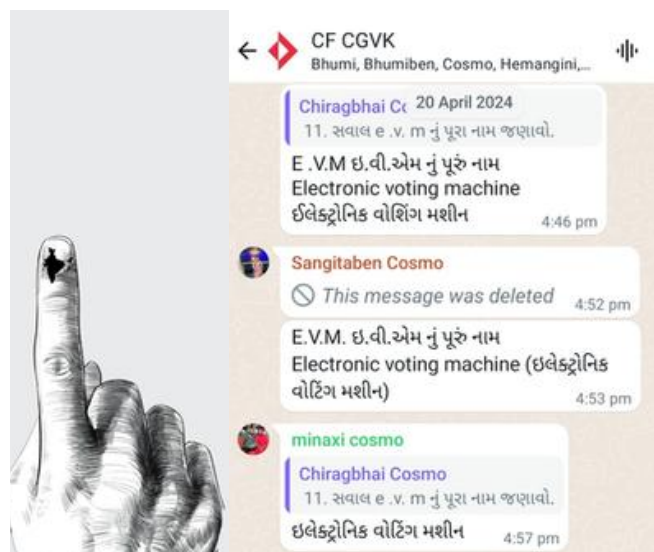

English Language Day

At Kanbha Primary School, Karjan, Cosmo Foundation ignited the joy of multilingualism among **150 eager students**. The event began from **immersive storybook reading to thrilling plays and vocabulary quizzes, tech-driven activities turned language challenges into golden opportunities**. Cosmo teachers illuminated the significance of English in daily life through hands-on demonstrations and real-world examples. Let's keep the momentum of voyage going!

[CLICK HERE](#)

Election Awareness Campaign

India's general election is underway, and the Cosmo Foundation is actively engaging communities with informative **60 + FAQs shared on – Cosmo Digishala - WhatsApp groups**. Covering topics such as the **electoral process, and voting rights, our campaign aims to make rural students and community aware on election process**. The response from community members has been encouraging, highlighting the effectiveness of our online awareness efforts.

National PanchayatiRaj Day

It underscores democratic principles and decentralized governance. Rural students from Cosmo Gyan Vihar Kendra marked the occasion by **visiting their local Gram Panchayat offices** in Karjan and Aurangabad. They learned about the **pivotal roles of the panchayat, sustainable development practices, and village documentation**. Engaged in active **discussions with the Sarpanch**, the visit highlighted Cosmo's dedication to rural empowerment.

National Pet Day

Cosmo teachers recently conducted a session emphasizing the significance of caring for local pets in villages. Witnessing the heartfelt connection between rural children and their animal companions was truly inspiring. From feeding and watering to capturing mesmerizing selfies with their pets, the students demonstrated genuine care and affection. Showcased the invaluable bond between humans and animals.

World Book Day

A Book Fair was organized captivating **Book Fair** under the theme "**Read Your Way**" in Kanbha Primary School, Karjan and across the CGVK centers in Chhatrapati Shambhajnagar. Enticing titles from various publications beckoned **550 children and 20 villagers to attend the event**, indulging in favorite stories, group discussions, and exploring diverse genres. Parents and villagers appreciated the wide collection of books, sparking a newfound curiosity and thirst for knowledge among attendees.
